## A Catchment Plan for the River Wandle

Prepared by the Wandle Trust on behalf of the communities and stakeholders of the Wandle Catchment

Wandle Valley  
Regional Park  
A Vision for the Future

# Existing visions

***“Our shared vision is for an innovative, sustainable and high quality Regional Park in the Wandle Valley that is easily accessible, with a rich & thriving biodiversity, offering recreational, landscape, heritage, cultural and resource management benefits in which local people and businesses can take pride and ownership.”***

**Wandle Valley Regional Park (2008)**

***“A naturally functioning, self-sustaining chalk stream rich in biodiversity and a haven for Londoners”***

**Wandle Trust (2012)**
